Subject : Reply to Memo no 448 Dated 13.08.2026 regarding submission of explanation for NOC / Certificate of Recognition.

Reference ; Your Memo no. 448 Dated 1308.2026

Respected Sir,
With due respect and humble submission, I, the Head of the Institution of Rasulpur Ramkrishna Sarada Vidyapith, beg to submit our explanation in response to your above mentioned memo as under;

a) Why the school has been functioning without a valid NOC / Certificate of Recognition:

Our school is a social welfare oriented unaided primary school running from 2012 with the aim of providing quality education to the children of our locality. We have already applied for NOC / Certificate of Recognition and submitted all necessary documents at the office of the DI (PE) Purba Bardhaman. We are functioning with the belief that our application under active consideration of the competent authority.

b) Weather the school has ever applied for recognition /NOC under Section 18 of the RTE Act, 2019:

Yes Sir, We have applied for NOC/ Recognition. As the documents were submitted directly to AI Sir in hand , we did not receive any separate acknowledgement receipt or number. However our file is available in your office, but also we submitted all documents through BSP online. And the Application ID number from BSP 1925250020 attached herewith.
Our school was included in the UDISE portal in 2014 with UDISE no 19251610302. Since 2019, we have been given the facility to enter student data on line on the UDISE portal. Therefore we have assumed that our school is under consideration of the Government.

c) If no application has been made, the specific reason for not applying:

Not applicable, as we already applied.

d) Why appropriate statutory action under Section 18(5) of the RTE Act, 2009 should not be initiated :

We request you not to initiate any statutory penal action against our institution on the following grounds:

1.) Our Institution is running for educational purpose, not commercial gain.
2.) At present 100 students are studying in our school and 6 teachers are engaged in teaching. Closing the school will hamper the future of these students.
3.) We have no intention of violating any rules and regulations of the Govt. of West Bengal.
4.) We have already submitted our NOC application and we are ready to comply with any further required as directed by your good office.

Therefore. I humbly pray you to kindly consider our case sympathetically and grant us the NOC / Certificate of Recognition. We assure you that we will abide by all norms and standards prescribed under RTE Act 2009. We kindly request you to verify our submitted documents and grant us the NOC / Certificate of Recognition.

Thanking You
